***THE HONOURABLE SRI JUSTICE***

***A.GOPAL REDDY***

W.P.No.6068 of 2006

**Oral Order:**

Petitioner has been appointed as fair price shop dealer of Amarwai Village, Manopad Mandal, Mahabubnagar District. While so, his authorization has been suspended on the ground that binami dealer runs the shop without permission from the M.R.O. or from the appointing authority, which constitute an irregularity.

Admittedly, on the complaint received from the Sarpanch of the village, the M.R.O. conducted an enquiry and submitted a report to the R.D.O., Gadwal who by the impugned order suspended the authorization of the petitioner.

Against any order of suspension of fair price shop dealer pending enquiry an appeal lies to the appellate authority and without availing such right of appeal present writ petition cannot be entertained and it is accordingly dismissed reserving liberty to the petitioner to file an appeal before the appellate authority.

The writ petition is accordingly dismissed. No costs.
